

FALCO CHANGES

New Role: Accountant

Responsibilities:

- Loan collection
- Loan disbursement
- Report creation
- Reconciliation

Exclusions:

- Customer creation

Additional Information:

- The accountant's features, which are currently part of the Loan Officer role, should be transferred to the Accountant role.
- The Loan Officer is unable to create customers and Vikundi groups.
- User and staff creation is restricted to the admin, with the manager having the option to submit requests.
- In Vikundi, each member should have the capability to apply for a loan individually, rather than through group applications.
